

Set up station with monstered word visible.

You need the SSP Spelling Piano app for tablets, Monster Mat and A3 Cloud Spelling Mat.

Optional: check the word and play the monsters to check.

Routine:

Say the word over the board (where you will be building the word)

Duck Hand the word from left to right and blend - over the board.

Draw Speech Sound Lines, saying the sounds as you go. Don't forget to say the word.

Duck Hand the word, saying the sounds over every speech sound line. Say the word.

Draw Speech Sound Numbers, saying the sounds as you go. Don't forget to say the word.

Duck Hand the word, saying the sounds over every speech sound line. Say the word

Put the Speech Sound Monsters on the lines, left to right, saying their sounds. Don't forget to say the word.

Duck Hand the word, saying the sounds over every speech sound line. Say the word.

Play the word in Speech Sound Monsters on the Monster screen in the Spelling Piano app.

If you have anything to say eg about accents etc, say it now!

Push up the first Monster and draw the Sound Pic on the line while saying the sound.

Keep going until all are there. Say the word.

Duck Hand the word, saying the sounds over every speech sound line. Say the word

Check it with the word card.

Write the word at least twice, saying the sounds as you go - and then the word.

What was new for you? Circle on the Cloud mat.

Put the tiles back in order, saying the sounds! Rub everything off.

When learning the routine break it down. It needs to become a habit, so that they can focus on the speech sounds, mapping and the word rather than trying to remember steps.
